- 1.2 **Business Day** means any day other than a Saturday, Sunday or official public holiday of the Republic of South Africa.

2. UNDERSTANDING YOUR SAVE ACCOUNT

- 2.1. Your SAVE Account is administered by us as an Administrative Financial Services Provider in terms of the Financial Advisory and Intermediary Services Act. Through us your money will be invested in the Old Mutual Money Market Fund, which is managed by OMUT.
- 2.2. As an Administrative Financial Services Provider, we are responsible for recording the following Transactions in the SAVE Account:
 - 2.2.1. your funds received in the designated bank Account, and
 - 2.2.2. your funds invested in terms of the investment mandate that you give us by accepting these terms.
- 2.3. The SAVE Account is only available to private individuals. There is no intermediary involvement and you may only deal with us in your personal capacity.
- 2.4. As required by law, your investment in the Old Mutual Money Market Fund will be held on your behalf in the name of a nominee company, BOE Link Nominees (Pty) Ltd, registration number 1997/018411/07. This is for your safety as required by law.

3. THE OLD MUTUAL MONEY MARKET FUND

- 3.1. The Money Account gives you access to one underlying investment option only, namely the Old Mutual Money Market Fund. This is a unit trust fund, also known as a collective investment scheme. It is basically a pool of money from a group of investors (which includes you), which is used to purchase a portfolio of financial securities or assets managed by a portfolio manager.
- 3.2. Unit trusts are generally medium to long-term investments. Past performance is no indication of future growth. The Old Mutual Money Market Fund unit price aims to be static but investment capital is not guaranteed. The total return is primarily made up of interest (declared daily at 13:00), but may also include any gain or loss on any particular instrument. In most cases this will merely have the effect of increasing or decreasing the daily yield, but in an extreme case it can have the effect of reducing the capital value of the fund. Old Mutual is a member of the Association for Savings & Investment SA.
- 3.3. The Old Mutual Money Market Fund is a conservative low-risk unit trust fund that does not offer any guarantees.
- 3.4. This investment will be governed by the Terms and Conditions that are prescribed by OMUT and the relevant trust deed and/or other documentation of the Old Mutual Money Market Fund.
- 3.5. You carry all investment risks related to the SAVE Account and must familiarise yourself with the material, Terms and Conditions applicable to the investment, and specifically any investment risks associated with the Old Mutual Money Market Fund.
- 3.6. For further information on the Old Mutual Money Market Fund, please visit the OMUT website at www.oldmutualunittrusts.co.za.

4. TRANSFERRING MONEY INTO YOUR SAVE ACCOUNT

- 4.1. You will be able to transfer surplus funds (money that you don't need right now) from your SWIPE Account into your SAVE Account, to earn returns (growth) on those funds. You do not earn any returns on the funds in your SWIPE Account.
- 4.2. We undertake to invest any amounts paid to and received by us in the Old Mutual Money Market Fund.
- 4.3. We will only invest the funds into the Money Market Fund once we have actually received the funds from your SWIPE Account. The standard banking practice and time standards for such transfers will apply.
- 4.4. Under no circumstances may cash payments be made to any of the bank Accounts that we operate. Payment of cash into the bank Accounts that we operate may result in the amount being refunded and the payer potentially being reported to the authorities under applicable legislation.

5. TRANSFERRING MONEY OUT OF YOUR SAVE ACCOUNT

- 5.1. To withdraw the funds in your SAVE Account you will first have to transfer the funds from your SAVE Account to your SWIPE Account. Once it is in your SWIPE Account, you can spend it by using your Card for purchases or to draw cash at point-of-sale, draw cash at any ATM or perform electronic transactions by internet banking or cell phone banking.
- 5.2. In the unlikely event that our records show that an amount more than the value of your SAVE Account is transferred to your SWIPE Account, we will have the right to recover it from you.

6. SWITCHES

- 6.1. As the Old Mutual Money Market Fund is the only investment fund available to you in terms of the Money Account, you cannot switch funds from the Old Mutual Money Market Fund to any other investment fund from Money Account.
- 6.2. You can switch to another fund/s on our administration platform, but those funds will no longer be part of or available under the Terms and Conditions (Parts A, B and C) of your Money Account.
- 6.3. Any units which have been switched this way will be subject to the Terms and Conditions and fees/charges of the new fund and will no longer be governed by these Terms and Conditions.

7. TIME STANDARDS

- 7.1. Transferring money into your SAVE Account from your SWIPE Account:
 - 7.1.1. All funds received by us before 19:00 on a Business Day from your SWIPE Account, will be bulked (added together) and invested into the Old Mutual Money Market Fund on the next Business Day. If it is not a Business Day, it will be invested into the Old Mutual Money Market Fund on the next Business Day.
- 7.2. Transferring money from your SAVE Account into your SWIPE Account:
 - 7.2.1. When you transfer funds out of your SAVE Account, we have to sell units to the value of the amount that you requested. The funds will be available in your SWIPE Account immediately. The sale of units cannot be reversed.

8. INVESTMENT CHARGES AND FEES

- 8.1. OMUT will deduct a service fee of 0.57% (nil point five seven percent) per year on the value of your investment for the administration of the fund. This fee will accrue (accumulate) daily and be paid to OMUT on a monthly basis. We will, after being notified by OMUT of any increase in fees, inform you within 14 (fourteen) days thereafter.
- 8.2. OMUT pays us a platform fee in return for distribution and/or administration services which we undertake on their behalf, which fee accumulates to us. The platform fee is currently 0.1% (nil point one percent). There will be no additional costs as a result of the payment of such platform fees.

- 9.3. You will receive monthly statements from us about your SAVE Account with details of your funds. We will send the statements via electronic mail (email), or you may contact the Service Centre.
- 9.4. It is your responsibility to check your monthly statements. You must bring any errors in a statement to our attention within 14 (fourteen) days after you have received it. Although we make every effort to ensure the accuracy of the information in the statements, we will not be held responsible in any way for any errors due to factors beyond our control.

10. CANCELLATION OF YOUR SAVE ACCOUNT

- 10.1. Because the SWIPE Account and the SAVE Account were designed to exist in combination, you will not be able to continue with the SAVE Account if your SWIPE Account is cancelled or closed for any reason. Both Accounts will be cancelled or closed together.
- 10.2. You will then have the following options:
 - 10.2.1. withdraw the funds in the SAVE Account and SWIPE Account;
 - 10.2.2. transfer the units in the Old Mutual Money Market Fund into your own name. Such units are then no longer administered by us on your behalf, or
